SETO
International Ceramic & Glass Art Exchange Program
瀬戸国際セラミック&ガラスアート交流プログラム
2011－2012

募集要項
Application Details (English Version)

Supported by the Agency for Cultural Affairs, Government of Japan, in Fiscal Year 2011
Purpose of the program

This program supports the ceramic and glass artists from all over the world in order to exchange ideas with local artists, which will bring new different perspectives to Seto City with more than 1000 years ceramic history. This program also intends to encourage Seto citizens to encounter different forms of artistic expression through the art and cultural activities. We welcome the artists who have a strong desire to build new rapport with Seto citizens.

1. Supports offered by The Program
   - Round trip transportation fee to Seto ※ Refer to Note for the upper limit
   - Accommodation during the stay. (Apt. Individual room with shower and mini kitchen)
   - Space for production of work in Seto Ceramics and Glass Art Center.
   - Expenses of materials and firing fee ※ Refer to Note for the upper limit

2. Qualification and number of selectors
   - 3 or 4 Ceramic / Glass artists, no limitation on age and nationality
   - Applicants who are able to communicate in English.
   - Applicants must pay their own living expenses (other than accommodation).
   - Applicants must be in good health condition.
   - Applicants who agree to the conditions below.

Conditions of the Program

2 to 3 pieces of works created during the program will be requested to donate to Seto City under the consultation with the office. Donated works will be exhibited at the Seto City Art Museum and others. Freight charge for shipping the other works back will be self-responsible. We will publish the catalog which includes the photograph of donated works, Artist Statement, Record of other activities such as school visits.

Artists will be requested to conduct the following activities during the program.
- Slide lecture for the public audience
- Open studio for the public and students/trainees
- Exchange activity with Seto Citizens (Artists plan and carry out.)
- School Visit
- Courtesy visit to the Mayor of Seto

Artists will be requested to report to us during the program at Seto City within a year after you go back to your own country by articles or papers at newspapers, magazines and website etc.

3. Residency period (duration of stay)  Ceramics: 40-60days  Glass: 30-45days
   Term 1  November 2011 to December 2011
   Term 2  January 2012 to February 2012

4. How to apply
   Complete the Application Form and send it to the office by September 16, 2011. Attach any documents that will help us understand your activities (pictorial records, pamphlets, catalogues, transparencies, etc.)
   Please understand that the items you submit will not be returned.

5. Selection of applicants
   The office will select applicants. The result will be given to all the applicants in end of September 2011.
6. Note:

○ Program participants must not postpone the period of your stay.

○ Program participants have to arrange by themselves the delivery of materials needed for production of works and other activities of the program.

○ Program participants have to arrange for the air ticket. The program will bear economy class airfare of your round-trip from the airport closest to your residence to the Central Japan International Airport (Nagoya). The reimbursement will be done during the program after your submitting the receipt of the airfare to the office. It will be calculated based on the rate of the first day of the program.

**Upper limit from abroad 200,000 yen**

The program will not cover your travel insurance.

○ The office staff will provide transportation from/to the airport at your arrival and departure.

○ The office will bear the production charge (material fee, fuel fee, etc. necessary for production) up to 100,000 yen. The office will purchase them.

○ Program participants have to prepare your own accident insurance by yourself. Submit the copy of the insurance paper to the office by 1 month before the program starts.

7. Studio Facilities: Seto Ceramics and Glass Art Center

- The Center is open from 10:00 - 18:00, closed on Tuesdays.

- The size of the studio is about 50 square meters. Please use it together with the trainee of six ceramic artists and five glass artists.
